

## **Default Question Block**

. The Ontario Colleges Mathematics Council (OCMC) has initiating a survey aimed at faculty members who teach mathematics, statistics, or other math-related courses in order to understanding of math education and the faculty landscape within colleges. You are invited to voluntarily complete this survey as best you can if you are teaching any math related courses at a college. Should you so choose, please share this email with any colleagues who may find it relevant.

The information is being gathered by the OCMC and administered using Mohawk College's Qualtrics software. Your submission is anonymous. To start the survey, kindly click on the "right arrow" below.

Q1. In which College(s) do you teach? (Check all that apply)

*(hold CTRL(windows)/CMD(Mac) for multi-select)*

*(Scroll down to see all colleges)*

Algonquin  
Boréal  
Cambrian  
Canadore  
Centennial  
Conestoga  
Confederation  
Durham  
Fanshawe  
Fleming

Q1 - extended. Which College do you consider your primary?

*(Use this answer in future answers)*

Q2. Does your college have a separate Mathematics department?

*(please describe the structure of the department(s) in which you work)*

Yes

No (e.g., teach math within business department)

Q3 . What is your formal educational background and your field of study or specialization for your (certificate / diploma / degree)

- BA/BSc
- B.Ed.
- MA/MS
- MEd
- PhD
- Other (please specify)

Q4. Do you have additional training in teaching (e.g., a teaching certificate, CEDP)?

- Yes (please describe)
- No

Q5. At what level do you have teaching experience?  
(Check all that apply)

- Primary
- Secondary
- Post-secondary
- Post Graduate
- Other (please specify)

Q6. How many years of industry experience do you bring to the teaching role?

Q7. Please provide your most recent position at your college in terms of employment:

- Full-Time
- Sessional (>12hrs)
- Partial Load (7-12hrs)
- Part-time (< 7hrs)

Q8. How many years have you been teaching (all teaching experience)?

Q9. How many years have you been teaching in the Ontario college system?

Q10. Please indicate the areas in which you teach: (Check all that apply):

Mathematics

Statistics

Other (please specify)

Q11. Please indicate the areas of service you currently teach / have taught into:  
(Check all that apply)

- Business
- Technology
- Engineering
- Computer Science
- Health Sciences
- Skilled Trades
- Developmental/Remedial/Upgrading
- Other (please specify)

Q12. Describe one issue specific to math education that a faculty led organization like OCMC can do to help teaching and learning of mathematics at your college.
